Ideal for downsizers, couples or young families seeking easy, single-level living in a peaceful setting, this well-presented home offers comfort, convenience and a private garden, all with no onward chain — early viewing is highly advised.

Tucked away within a quiet cul-de-sac, this neat and inviting home is thoughtfully arranged to provide a practical and relaxed lifestyle. The modern kitchen is positioned at the heart of the home and opens directly onto the main reception area, creating a sociable space ideal for both everyday living and entertaining. Natural light flows through the layout, while the reception room offers enough room for both seating and dining arrangements. Both bedrooms are well proportioned, easily accommodating double beds or offering the flexibility for guest space or a home office if needed. The bathroom features a modern three-piece suite, completing the interior with style.

Outside, the property benefits from off-street parking for two vehicles to the front — a valuable feature for homeowners and visitors alike. The rear garden is laid out for ease of maintenance, offering a private outdoor space ideal for relaxing, container gardening, or enjoying a morning coffee. This freehold bungalow provides a rare opportunity to enjoy manageable living without compromising on comfort or location, making it especially appealing for those looking to downsize in style or step into their first home with room to grow. The quiet setting, combined with the low-maintenance garden and private parking, adds to the appeal for buyers who value both independence and ease.

The cul-de-sac position ensures a peaceful atmosphere while remaining conveniently located for nearby shops, parks and everyday essentials. A range of local amenities are within easy reach, including bus routes and train connections for wider travel, making it well suited for those who need reliable transport links without the hustle of busy roads. Schools and green spaces are also nearby, offering further appeal for young families. Altogether, this is a smart and easy-to-manage home in a location that supports both quiet living and daily convenience.
