The layout is designed to suit a wide range of lifestyles, with five superb reception rooms providing excellent flexibility for everyday living, entertaining or working from home. The extensively equipped kitchen and breakfast room links neatly to the separate dining room via an internal door and a striking double sided log burner, creating a warm and inviting feel throughout these key spaces.

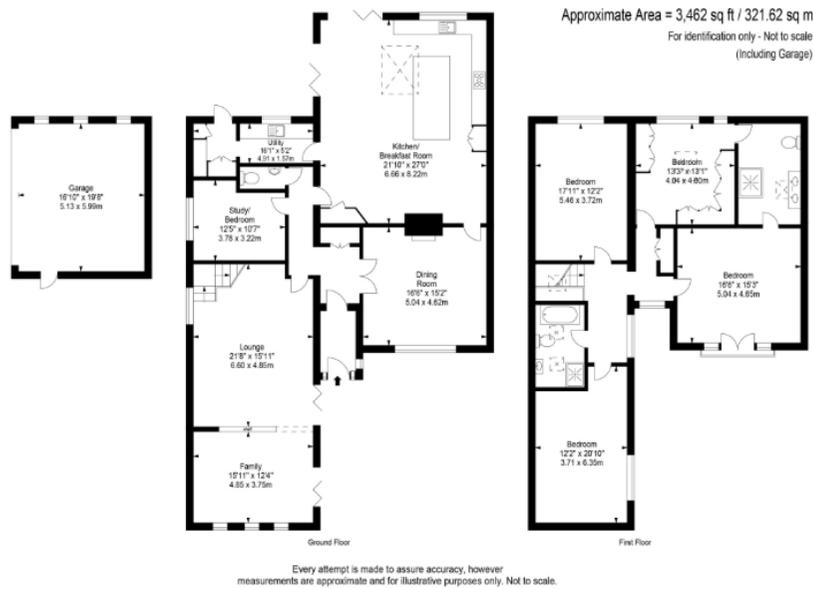

The principal bedroom is a genuine feature, presenting a magnificent vaulted ceiling, a Juliette balcony and a stylish Jack and Jill en suite bathroom. Every room has been finished with great care and attention to detail, reflecting the quality of the refurbishment.

The grounds have been beautifully landscaped, offering an attractive and well-planned setting for the house. A sweeping, newly installed driveway sits behind automated gates with an intercom entry system, giving both privacy and convenience.

The property is ideally positioned for West Byfleet, Weybridge and Woking mainline stations, all providing direct services to London Waterloo in around 30 minutes.
